2. So I went into my kitchen .. to see what I cold spare.
 I found some Whoppie Pies, some Ding Dongs, and a bag
 of Gummy Bears.
 There was Bacon Bits, some Ritz, a Schlitz .. Little Debbie
 Snackin' Cakes ..
 Sugar Smacks, some Hungry Jack, and a box of Shake 'N
 Bake.

3. I threw in some vitamin fortified imitation real cranberry-
 flavored concentrate.
 A few HoHos, Raviolios, Mocha Decaf with CoffeeMate.
 And out in the car, I found a jar of Salsa from Ensenada ..
 Tortilla chips, enchilada dip, and a mix for Piña Colada ..

4. Well, I got awful hungry from all my generosity.
 So I went and popped a Lean Cuisine in the Microwave
 for me.
 And then, I sat and wondered, as I munched an Oreo ..
 "What's it like to be hungry .. without a Stop 'N Go?"

5. Of course, "hunger's not a problem here," our
 government repeats ..
 (Long as we've got) Hamburger Helper and Coke with
 NutraSweet ..
 Long as there's Chef Boyardee with M.S.G. .. Stove-Top
 Instant Stuffin' ..
 Chris and Pitts, and a gift certificate for Egg McMuffin.
