When all is said and done... take you a star... all from the deep of win - ter.

When all is said and done... take you a star... all from the deep of win - ter.

When all is said and done... take you a star... all from the deep of win - ter.

When all is said and done... take you a star... all from the deep of win - ter.

Stars of the win - ter sky... time - less and far... all from the deep of win - ter

Stars of the win - ter sky... time - less and far... all from the deep of win - ter

Stars of the win - ter sky... time - less and far... all from the deep of win - ter

Stars of the win - ter sky... time - less and far... all from the deep of win - ter

And, thru the dark night win - ter comes pass - ing... Stars in her lone - ly eyes light her way... light her way.

And, thru the dark night win - ter comes pass - ing... Stars in her lone - ly eyes light her way... light her way.

And, thru the dark night win - ter comes pass - ing... Stars in her lone - ly eyes light her way... light her way.

And, thru the dark night win - ter comes pass - ing... Stars in her lone - ly eyes light her way... light her way.

When all is said and done... take you a star... all from the deep of win - ter

When all is said and done... take you a star... all from the deep of win - ter

When all is said and done... take you a star... all from the deep of win - ter

When all is said and done... take you a star... all from the deep of win - ter

If, Ju - pi - ter you fled from your turn - ing, and you be - came a man... Oh, I would run to you!

If, Ju - pi - ter you fled from your turn - ing, and you be - came a man... Oh, I would run to you!

If, Ju - pi - ter you fled from your turn - ing, and you be - came a man... Oh, I would run to you!

If, Ju - pi - ter you fled from your turn - ing, and you be - came a man... Oh, I would run to you!

When all is said and done... take you a star... all from the deep of win - ter.

When all is said and done... take you a star... all from the deep of win - ter.

When all is said and done... take you a star... all from the deep of win - ter.

When all is said and done... take you a star... all from the deep of win - ter.
